Acer Backup Manager
Acer Backup Manager provides easy and fast backup of your data to external drive or CD/ DVD media.

Acer PowerSmart
Press the Acer PowerSmart button to enable advanced power management settings, making your Aspire notebook more energy efficient than a typical notebook.

Acer eRecovery
Acer eRecovery Management is a tool that provides you with an easy, reliable and safe means of restoring your computer to its factory default state from an image stored in a hidden partition on the computer's hard disk drive.

Why Acer Aspire Notebooks?

At Acer we recognise that one notebook doesn't fit all. Whether it's portability you seek or a multimedia power-house, the Aspire range of consumer notebook offers plenty of choice. With a perfect balance of performance, size and boundary-free wireless capability including optional embedded 3G, the possibilities are endless.
